

## ESCURSIONE IN ELECOTTERO SUL TIAN SHAN

You have a chance to see Tien Shan mountains with two mountains 7000+ meters above sea level: Peak Pobeda and Khan Tengri. Flying from Karkara Base camp and easy hiking in the South Inylchek – is an unforgettable experience! We use the MI-8-MTB helicopters, which are known in many countries as good and reliable helicopters. It is powered by two turbo-engines and has a carrying capacity of two tons.

Two pilots fly the MI-8-MTB, which means extra safety. You can be sure that the helicopters are flown by professional pilots, who are very experienced in heli ski and mountain rescue flying.

### Tour program “By helicopter to the Base camp South Inylchek”:

#### **Day 1. Helicopter flight from “Karkara” Base Camp to Base Camp “South Inylchek”.**

In the morning you take a helicopter and your journey starts. We fly over the magnificent mountains of Tien Shan. The views below change desperately: starting from green carpets of lower hills and slowly turning into snow capped huge mountains. You flight over one of the longest and largest glaciers of Tien Shan mountains – Inylchek, the mystical and one of the kind mountainous lake Merzbacher Lake. The helicopter lands at the Base Camp “South Inylchek” located at the altitude of 4200 m above sea level. From the camp you may observe the highest peaks of Tien Shan Mountains (Pobeda Peak (7439 m) and Khan Tengry Peak (7010 m))

#### **Day 2, 3 (4) . At the Base camp “South Inylchek”.**

You have free time to hike around on the glacier and admire the snowy landscapes.

#### **Day 4(5) . Flight back to “Karkara” Base Camp.**

In the morning we take helicopter to fly back to Base camp “Karkara”.

---
